COMMITTEE REPORTS:

RINKS: Mark Kozlowski noted that weather has been a challenge – upcoming weather is looking better though. Recently the BCA met with the head of seasonal recreation with the city. The city has replaced connections and tap keys where needed and replaced hoses. All the issues at the rinks have been fixed, and all the rinks have main coordinators (volunteers) identified. There is still a need for extra volunteers at each of the rinks – anyone interested should contact the BCA.

SOCIAL: Danny Gress noted that the December social event at Gabriel's in lieu of the meeting was well attended. The 12 days of Bridlewood was also held and was well received. This fantastic contest gave \$450 of gift cards to 1 family who was really appreciative. The next contest will be the Valentine's Day contest.

SPRING SPORTS: Slowly starting to set things up, registration will begin in March.

DEVELOPMENT: A notice about a possible development at 60 Denzil Doyle Crt was received for a series of self-storage units. In a future meeting it might be possible to have the developer attend if the committee determines this would be helpful.

President report: Hydro Ottawa will be at the next meeting to provide information about keeping power on in the event of storms etc.... BCA annual memberships, which expire at the end of the calendar year, can now be purchased on the website. Some technical glitches have been experienced, but should now be resolved, and if not, an email can be sent to pres@bridlewood.ca. A discussion was had about options to increase the number of memberships purchased.

NEW BUSINESS

Erin shared that there will be an Ottawa Transit Riders group meeting soon to discuss transit issues in Kanata. This grass-roots organization is often involved in lobbying city hall about transit challenges but is more typically Urban-centric in their focus. This meeting will be held on January 21st in the church hall at St. Paul's church in Kanata. They will aim to learn more about what the concerns are for Kanata residents, and to understand Kanata's needs better.

NEXT MEETING (virtual) will be Tuesday, February 14th, 2023 at 7:30 p.m.

Mark Kozlowski moved to adjourn the meeting, seconded by Lance Mitchell.

Respectfully Submitted,

Katherine Robertson-Parrott
