BUDGET: The 2016-2017 Budget was presented line by line with residents providing comments and suggestions regarding various items. Lorraine noted Spring Sports registration fees would have to increase from \$40 to \$50. Discussions varied around continuing with various activities such as December Social, Movie Night and the lack of volunteers to organize and run such events—possibly only having one large event each year such as the June BBQ. Finalized budget will be presented next meeting.
